EDUCATION

Winona State University, Winona, MN

Expected May 2028

Bachelor of Science in Composite Materials Engineering Minors: *Polymer Chemistry and Mathematics*

Major GPA: 3.48/4.00

TECHNICAL SKILLS

-
- **CAD:** SolidWorks, Autodesk Inventor
 - **Programming:** Python
 - **Manufacturing:** CNC machining, Swiss machining, dimensional inspection, tolerance verification
 - **Engineering Tools:** Excel, 3D printing

EXPERIENCE

Machinist

June 2026 - Present

Fastenal, Winona, MN

- Operate Swiss CNC machines to manufacture precision components according to engineering drawings and dimensional specifications.
- Perform dimensional inspections using precision measuring equipment to verify parts meet required tolerances.
- Monitor machining processes and adjust tool offsets to maintain dimensional accuracy and compensate for tool wear.

Cart & Range Operations Assistant

April 2022 – August 2025

Wapicada Golf Course, Benton County, MN

- Managed daily cart operations, including cleaning, charging, and organizing over 70 golf carts to ensure readiness for guests.
