EDUCATION

Winona State University, Winona, MN

Expected May 2028

Bachelor of Science in Composite Materials Engineering Minors: *Polymer Chemistry and Mathematics*

Major GPA: 3.48/4.00

TECHNICAL SKILLS

-
- **CAD:** SolidWorks, Autodesk Inventor
 - **Programming:** Python
 - **Manufacturing:** CNC machining, Swiss machining, dimensional inspection, tolerance verification
 - **Engineering Tools:** Excel, 3D printing

EXPERIENCE

Machinist | Fastenal | Winona, MN

June 2026 - Present

- Operate Swiss CNC machines to manufacture precision components from engineering drawings and dimensional specifications.
- Inspect machined components using precision measurement equipment to verify dimensional tolerances and part conformity.
- Monitor machining operations and adjust tool offsets to compensate for tool wear and maintain dimensional accuracy.

Cart & Range Operations Assistant

April 2022 – August 2025

Wapicada Golf Course, Benton County, MN

- Managed daily cart operations, including cleaning, charging, and organizing over 70 golf carts to ensure readiness for guests.

RELEVANT COURSEWORK

Engineering Graphics and Design, Computer Applications in Engineering, Statics, Properties of Materials

CERTIFICATIONS & TRAINING

Introduction to Composites — ACMA/IACMI, 2026
